Ask.Answer Please ask your question in the box below. Please be as specific as possible, as we will not answer generic questions. What are your thoughts on the game? What should they have included? What would you change? How do you feel about the changes to the operation? I really like using the army, and a lot of the unlocks in it. I'm one of those people that loved the unlockables a little too much. I've thought about getting this game, but I don't think the single player experience is that great. You couldn't really get a sense of the 2.5D from the single player. I played through it at least a dozen times and I would get bored of the micro ops. There is so much you can do here, and you just play through the same situations again.
