The image shows a screenshot from a game, likely EVE Online, depicting a research interface. On the left, a menu lists various equipment and hull options, with a sub-menu open for 'Buy Equipment' showing a list of items and their costs. The items listed are: [All] Utility, [All] Weapons Bay, [Arsenal] Advanced Weapons Bay, [Arsenal] Arsenal Veterancy, [Arsenal] Heavy Weapons Platform, Pluton Minelayer (10,000), Agriphontes Turret (10,000), Atamal Shield Gen (10,000), Hecebolus Turret (10,000), Neptune Turret (10,000), and Rocket-on-a-Rope (10,000). The background shows a futuristic laboratory with a large, glowing blue structure. At the bottom, a progress bar indicates that research is in progress, with a timer showing 01:50:52 remaining. The interface also displays the player's Plex value as 447,988 and a 'Lab: Lvl-10' indicator.

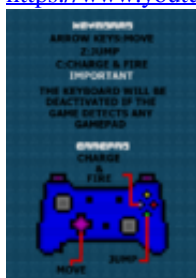

Difficulty reduced:

Due to the opinions of the players, the level of difficulty has been reduced, which maybe was too high XD. It remains a difficult platformer

, but now it is more accessible.. **Slingshot Explorer. Jungle Tower Review:**
